Dear Parents/Carers of Year 9

Revision workshop session - Winter exams preparation

I am writing to inform you of a 'Revision skills workshop' that is taking place in school on Friday 22nd November for your son/daughter. The workshop will consist of a **2 hour session** in the main hall, where students will be introduced to study techniques and revision skills, to help prepare them for their upcoming KS3 examinations.

As you're aware, studying independently can be difficult; so hopefully this morning will give students some confidence when approaching revision.

The morning will consist of:

1. How to best use class made notes & resources from teachers.
2. How to plan a good revision timetable
3. X2 RVHS 'tried and tested' revision techniques
4. Fun memory games to improve working memory
5. A follow up house competition

Your son/daughter will also be bringing home a 'takeaway' card - which will include some of their actions for a successful revision period during the run up to their exams. All of the revision materials shared with students on the day, will also be made available on the school website, on the 'Revision Resources' page- <https://rodingvalley.net/high-school/revision-resources/>

If you have any questions regarding this, please do not hesitate to contact me at plarkin@rodingvalley.net.

Yours faithfully
