Dear Parents / Carers

Re: Year 7 Academic Review Meetings - Wednesday 25th & Thursday 26th November 2020

Given the current situation, we are having to look at different ways of continuing the positive relationship between the magic triangle of parent/carer, student and teacher. We see Parents' Evenings as a key part of ensuring students make expected progress and get the most out of their 7 year journey with us.

We have decided to hold the Academic Reviews remotely. This will provide an opportunity for every student in Year 7, to sit down with their Academic Mentor or another member of staff and their parents/carers to discuss their progress, agree on appropriate targets and of course, be congratulated on their performance and effort as appropriate.

The Remote Academic Review Evenings will be conducted by the Academic Mentors and will take place over 2 evenings on Wednesday 25th Thursday & 26th November, 2020. The school is trialling this technology for our Y7 Parents Evening. Please do remember that this is a trial and we hope that it proves successful, but do bear with us as we continue to develop new technological solutions to the current COVID challenges we face as a school community.

The appointment slots will run as follows:

Wednesday 25 th November	1.30 - 4:30 pm
Thursday 26 th November	1.30 - 6:30 pm

The technology we will be using for these remote meetings is SchoolCloud. Parents will have the opportunity to book appointments at a time that is convenient for them using SchoolCloud. You will receive an email confirming your appointment.

Attached is a guide on how to access SchoolCloud

Please visit <https://rodingvalley.schoolcloud.co.uk> to book your appointments. Login to SchoolCloud with the following information;

If you do not have access to the internet, please contact the Academic Mentor who will be happy to add appointments on your behalf.
