Roding Valley
HIGH SCHOOL

14th December 2020

Dear Parents/Carers

As you might be aware, once again this year the school houses, led by the Year 13 House Captains, have chosen charities to fund raise for. To support this, I have organised a non-school uniform day for **Thursday 17th December 2020**, which will allow all students to wear their own clothes for a donation of £2. Considering the current COVID-19 pandemic, I would ask that you send your child in with the correct money as we will not be able to offer change.

The money will be collected by the House Leaders at the school gates. The non-uniform day donations will be collated into house-coloured buckets. Naturally, if students wish to make a larger donation, this will be welcomed by the charities they are collecting for.

As a reminder, the houses have chosen the following charities to support during this academic year:

House	Charity they are fundraising for	House	Charity they are fundraising for
			
			
			

We will be splitting donations between the house charities and Great Ormond Street Hospital. The donations will be used to support them to find the cures and treatments needed to ensure seriously ill children from across the UK have the best chance of a normal Christmas.

Charity days at Roding Valley High School are always fun days, with students entering into the spirit of giving and good will. We would however remind students to be fully equipped and have the necessary books and PE kit as well as being mindful of the choice of outfit for the day. We will not allow students to wear clothes, hats or masks that cover their faces, unless this is in keeping with their normal cultural dress code. However, we do expect students to follow our rules considering COVID-19 and wear a suitable face covering in communal areas of the school and where instructed to do so in a classroom by a member of staff. We will not allow students to wear clothes that reveal large amounts of their bodies, particularly chest and shoulder areas. Skirts and shorts should be worn to an appropriate length. We would also expect students to make sound footwear choices - high heels or flimsy shoes in a school environment may be dangerous.

If a student dresses inappropriately, they may well be sent home or you may be called to collect them. We will share the amount we manage to raise for the different charities on the day in the via our twitter accounts @RodingVHouses & @RodingValleyHS and the subsequent parent bulletin. Thank you for your support with this charity event.

Yours faithfully
