Dear Parents / Carers

Re: Yr12 and 13 change to school day on 10th February 2021 and 11th February 2021

Given the current situation, we are having to look at different ways of continuing the positive relationship between the magic triangle of parent/carer, student and teacher. We see Parents' Evenings as a key part of ensuring students make expected progress and get the most out of their seven-year journey with us.

We will be holding these meetings remotely and this will allow us to discuss with parents their child's progress and to ensure they are aware of how to support their child.

To accommodate this, the live provision for Year 12 and Year 13 could be affected from 12:30pm, the end of lesson 4, on both days. This will enable staff to prepare and lead the Yr9 parent's evenings that is scheduled.

Staff will make individual arrangements with each class as to whether they will be attending a live lesson or if they will be set an independent learning task.

Many thanks for your continued support and cooperation

Yours faithfully
