

May 2021

Year 12 Revision/Study/ UCAS & Careers workshops- Tuesday 25th May 2021

Dear Parents/carers of Year 12 students

I am writing to inform you about an upcoming workshop aimed at all **Year 12** students to support them with **revision and study** techniques in preparation for the upcoming 'Progression Exams' and also introduce them to researching **university and apprenticeships**. This will take place on Tuesday 25th May between 9am-midday in school.

Year 12 students will be split into two groups and attend two sessions covering the following;

Session 1- Revision and study technique workshop - Miss Larkin (1.5 hours)

- Tried and Tested RVHS Revision techniques- featuring fun games!
- How to access and use revision resources and embed revision routines at home.
- How to utilise the upcoming independent study time on the school site.

Session 2 - University and apprenticeship workshop - Mr Fletcher (1.5hours)

- Introduction to Universities and College Admissions Service (UCAS)
- University/apprenticeship search advice and guidance
- Application completion and key dates

I am hopeful that these sessions will be fun, interactive and informative for your son/daughter. At RVHS, we really value the need to guide our students on how to develop good study and revision skills. Hopefully, these sessions will provide confidence to your son/daughter when approaching their revision & their post 18 opportunities.

Any questions please do not hesitate to contact either Mr Fletcher mfletcher@rodingvalley.net or Ms Larkin plarkin@rodingvalley.net

Yours faithfully

Mr M Fletcher
Assistant Headteacher
Director of Sixth Form

Ms P Larkin
Assistant Headteacher
