Roding Valley  
HIGH SCHOOL

29th April 2021

Dear Parents/Carers

At Roding Valley High School, we are developing students understanding of Relationships, Health and Sex Education. This is a statutory part of their curriculum and our aim is to make the sessions informative, interesting and interactive.

You will appreciate that some of the course content is quite powerful and may be quite emotional for some students.

If for any reason you do not want your son/daughter to take part in the sessions with the rest of their year group, then please contact me in school as soon as possible so I can try and make alternative arrangements for those lessons. I do hope you agree this is an important part of their education and personal development.

Yours faithfully

Ms T Preston  
Head of Humanities Faculty  
AAHT: Character & Culture

Miss S Dyer  
Deputy Headteacher
