HIGH SCHOOL

Dear Parent/guardian,

I hope that this email finds you well.

Eedi is a website that provides support for Maths resources and learning. They partner with GCSE exam boards, Maths Mastery and White Rose Maths.

Eedi has offered all Year 5 to Year 9 families free access to **Eedi Summer Club**, an online maths summer program which is **100% free of charge**. This will help to boost your child's confidence in maths so it's sky high for the new school year.

Your child will first do a quick placement quiz to set their work and then get the recommended topics that will help them improve the most over 7 weeks. Your child will get unlimited access to review questions, videos and live chat support with real teachers over the holidays. You'll also get weekly reports on how they're doing.

The minimum recommended work is 1 lesson a week, which should be around 30 minutes of work.

Each week, Eedi will hold competitions to boost motivation and engagement - from who's given the most

thoughtful explanation to a problem to what team has the highest amount of points ... Plus there are real prizes up for grabs!

Signup deadline: June 27th (Get Eedi Summer Club for free until this date)

Summer Club Starts: July 5th

Summer Club Ends: August 23rd

If you want to get started using Eedi before the summer club starts, you are more than welcome to! Eedi normally offers just a 14 day free trial, but now you can use it throughout summer for free.

To get the offer, sign up on [this link](https://eedi.com/summer-club?via=teacher-invite) and create a parent account and get the offer automatically applied.
