1st December, 2021

Dear Parents / Carers

Bedrock Vocabulary- Parents Forum

I am writing to inform you of a live streamed Parents Forum that is taking place on Monday 6th December at 6.30 - 7pm. This forum will be held to give you some more information on our new Bedrock Vocabulary tool & will include guidance on how to support your child's literacy progression.

The link that you will need to access the live stream is below. Please note, the link will only be available when we go live at 6.30pm on 6th December, 2021:

<https://stream.meet.google.com/stream/a931239e-4b1c-4137-8fd9-88fc038915f0>

Bedrock is a fantastic tool that we have been using since September during our period 1 sessions (once per week). The platform has initially tested our student's vocabulary level and then introduces a series of new words via a range of interactive texts, assessments & games. Bedrock also allows parents to see an in-depth analysis of what language their child is currently learning and where their areas for development are.

During this forum, Ms Bleakley and I will be showing parents how to get the most out of the platform and offer any technical support. During the live streamed event, if you would like to ask any questions, then you can email our parents forum email address- parentforum@rodingvalley.net We will be on hand to answer any questions as they arise. Please note, this email address will only be in use during the forum.

Thank you for supporting our digital innovation when it comes to our Teaching & Learning provision. We are really excited to see how much progress that our students can make using Bedrock. If you have any questions, please don't hesitate to use the contact email address below.

Yours faithfully

Ms C Bleakley
English Teacher & Ed-Tech

Ms P Larkin
Assistant Head Teacher - T&L
