HIGH SCHOOL

13th June 2022

Dear Parents & Carers of Year 10

As you may know, the year 10 PPEs (Pre Public Examinations) are fast approaching & will begin on Friday 17th June; with Sociology begin our first exam. These PPEs will be a fantastic opportunity for your child to show their teachers what they're capable of, get some vital feedback & close any gaps before heading into year 11.

Over the past couple of weeks year 10 have been introduced to our RVHS Tried & Tested Revision techniques during their personal development sessions. They have had a go at Buzan Mind mapping, Tell me Five, Flip & Fold to name a few. We also introduced them to our excellent Revision Microsite that contains revision materials for each of our subject areas alongside whole school revision templates & guidance.

This microsite link can be found on our [Revision Resources](#) page on the school website, and can be accessed by clicking the link below:

Before half term, all of our year 10s also created an interleaved revision timetable. Again, if you would like to see a template for this, it can all be found on the microsite copied above.

We are really looking forward to seeing what our year 10s can do during this PPE series. Thank you very much for your continued support during this time.

If you have any questions, please do not hesitate to contact me.

Yours faithfully
