Roding Valley
HIGH SCHOOL

20th September, 2022

Dear Parent/Carer

We would like to advise all parent/carers and students that we currently have students who are immuno-suppressed in the school. This means that they have a weakened immune system and their bodies find it harder to fight infection.

As part of their care whilst in school we urge you to advise the school as a matter of priority, should your child contract chickenpox, measles or covid.

As always, we appreciate your assistance with our above request as this will ensure all our students are safe whilst in school.

Yours faithfully

Mrs S Gladman
Office Manager

Mrs S Jenner
Headteacher
