Roding Valley
HIGH SCHOOL

5th January 2023

Dear Parent / Carer

We are writing to advise you that year 11 are due to complete the second of their three drop down days.

We are suspending the timetable for the day on **Wednesday 11th January 2023** to cover the following important topics:

Careers - College Talk / Degree and Degree Apprenticeships
Revision techniques - Memory techniques
Life Finance - Fraud and 'Money Mules'
Relationships - Healthy & Unhealthy Relationships
Futures - Barclays Life Skills (Problem Solving)

This is an amazing opportunity for students to understand some of the choices, experiences and possibilities for their futures and we are really excited to be delivering this as staff. We aim to cover as much around life skills, careers, finance, personal development and futures as possible in these sessions and Drop-Down Day 2 is promising to be an informative, useful, and interesting day for our year 11. We want students to engage with the sessions and take away some new knowledge and skills that they feel will be beneficial to them for their onward journeys. Resources will be provided, students will need to have their bag and pencil case with them.

Please do contact me tpreston@rodingvalley.net if you have any questions.

Yours faithfully

Ms T Preston
