

23rd March, 2023

Dear Parent / Carer

With only six school weeks left until public examinations begin I am delighted to offer a vast amount of revision sessions, spanning over most of the subject areas during the Easter holidays.

The timetable is attached to this letter and is available on our school website. I would like to stress the importance of students taking advantage of these opportunities, and your support with attendance at these sessions will be crucial and greatly appreciated.

Some of the sessions are by invitation only, where subjects will target specific students, and others will be open to all students.

Students that are invited to specific focused sessions will receive an email from the subject, informing them of the details of the session

Should your son/daughter notice any clashes with subjects, they should prioritise subjects where they require more support, or may wish to split the time equally between subjects.

On arrival students are to enter school via the Brook Road entrance and will be greeted by a member of staff. Students can attend one or both sessions during the day.

The timings of the day are:

Brook Road Gate open: 8:50am

Session 1 : 9:00 - 11:20am

Brook Road Gate open: 11:20 to 11:30am

Session 2 : 11:30am - 1:50pm

The practical arrangements are:

- All students must sign in at the playground entrance to the Maths Block
- Students will be given only short breaks throughout the day – please bring drinks, snacks and lunch
- Students do not have to wear school uniform
- Students must bring with them all the equipment they need – the resources office will not be open
- Students will be told where to go when they sign in at the start of each day
- Students will leave at the end of the day through the Brook Road Gate
