2nd March 2023

Dear Parent / Carer

We are writing to advise you that year 11 are due to complete the third of three drop down days for this academic year on Thursday 9th March 2023.

The day will be covering the following topics:

Careers - Degree Apprenticeship v University Degree

Exam techniques

Life Finance - Budgeting

Relationships - Under Pressure

Futures - Physical & Mental Health and Wellbeing

This is an amazing opportunity for students to understand some of the choices, experiences and possibilities for their futures and we are, as always, really excited to be delivering this as a team. We aim to cover as much around life skills, careers, finance, personal development and futures as possible in these sessions and Drop Down Day 3 promises to be an informative, useful, and interesting day for our students, which again includes some of our statutory content. We want students to engage with the sessions and take away some new knowledge and skills that they feel will be beneficial to them for their onward journeys. Resources will be provided, students will need to have their bag and pencil case with them.

Please do contact me tpreston@rodingvalley.net if you have any questions.

Yours faithfully

Ms T Preston
Head of Personal Development

Mrs S Dyer
Deputy Headteacher
