Dear Parents and Carers of Year 12

I wanted to update you regarding the provision that we are able to put in place for our Year 12 cohort next week.

As you know, Year 12 students **are learning at home next week** (week commencing 2<sup>nd</sup> October). However, to offer some onsite provision we have put the following plan together:

**Year 12: Thursday 5<sup>th</sup> October - Revision & Study workshop 8.30am-11.00am**

- 8.25am - arrival to school via Brooke Road entrance. Students will line-up on the playground.
- 8.30am - Revision and Study Workshop. Students must bring their folders for all subjects plus their usual lesson equipment.
- 11.00am - Dismissal.
- 12.20pm - Normal online lessons will resume from **period 5 (12.20pm)**, to give students a chance to get home and log in on time).

Yours faithfully
