Dear Parents and Carers

If your child is planning on making a UCAS application this academic year, I wanted to remind you that the internal school deadline for this is Thursday 14th December.

Applications are already being submitted and universities do not need to wait for all applications, before they begin making offers. Early applications for Oxbridge, Medicine, Dentistry and Veterinary are submitted on the 16th October. Students should therefore be aiming to send off applications sooner rather than later.

With this in mind, please can you encourage your child to organise their applications and finalise their personal statement. Here is the process they need to follow.

Yours faithfully

Mrs L Curling **Director of Sixth Form Assistant Headteacher**

Ms P Larkin **Deputy Headteacher Curriculum and Progress**
