

9th November 2023

Dear Parent/Carer

Year 13 PPE Arrangements

I am writing to you to share some information for the upcoming PPE period which starts for Year 13 on Monday 20th November until Friday 1st December.

Throughout the PPE period, students are expected to attend school as normal. Lessons will continue to run, albeit with a focus on preparing students for their exams.

Students are expected to arrive at exams 15 minutes prior to the start time so they can get seated and we can start promptly.

Attached you will find the generic timetable so you can see what your son/daughter has coming up over these two weeks.

These exams are important for all students to give them an understanding of their progress. For students who study BTECs/CTECs these exams act as direct preparation for the actual exams / resits they will sit in January and it is therefore vitally important that students are well prepared and act on any feedback they receive promptly. In January, for BTEC IT, there will be three exams, BTEC Business 2 exams and in CTEC Sport students will be taking resits where required. These January exams will contribute a significant amount towards their final grades in these subjects.

At Roding Valley High School, we pride ourselves on the extensive support programme that we offer our students in preparation for their A Level exams. On 5th and 6th November, all year 13s were invited to at least one revision preparation workshop. During this, they were shown how to use our revision microsite - you will find the link to this [here](#).

I look forward to working with students over the coming months as they grow in confidence for next summer.

Yours faithfully

Mrs L Curling
Director of Sixth Form
Assistant Headteacher

Ms P Larkin
Deputy Headteacher
Curriculum and Progress

YEAR 13 PPEs TIMETABLE – November 2023

- Please note – the times shown below are the **START TIMES**, not the times to arrive at the exam room – no extra time will be given to late arrivals
